

REPORT ON ACTIVITY OF ELEC POLISH SECTION I-VI 2015

January 21, 2015 participation of ELEC Polish Section Members at the meeting of the Pomeranian Council of Entrepreneurship (PCE) affiliated to the Marshal of the Pomeranian Region in the PGA SA main office. The session, which was chaired by Marshal Mieczyslaw Struk, was additionally attended by delegates representing the Ministry of Economy and the Ministry of Infrastructure and Development, and also by representatives of the port authorities of Gdansk and Gdynia. The meeting of the PCE consisted of two parts; the first one focused on the broadly-conceived area of maritime economy and the relevant submitted proposals of smart specialisations in the Pomeranian Region. The second part of the meeting discussed changes in the rules of procedure of the Pomeranian Council of Entrepreneurship, and terms and conditions of the competition for the prize of the "Pomeranian Griffin 2015" awarded annually by the Pomeranian Council of Entrepreneurship to the outstanding companies in the region.

February 27, 2015 patronage given to the youth community which organised the conference "Future is coming". The event consisted of 15-minute presentations conducted by success people who have achieved and continue to achieve success in life. The aim of the project was to motivate young people to act and care about their future. Among the speakers were: MEP and Chairman of the Economic Council Janusz Lewandowski. The project was held under the patronage of the Marshal of the Pomeranian Voivodeship Mr. Mieczyslaw Struk and the Voivode of the Pomeranian Mr. Michał Owczarczak.

March 19-21, 2015 patronage given to the youth community which organised the TriMUN conference. The event is a simulation of the United Nations' session, organized in the Tricity by students of the Illrd High School in Gdynia. The conference gathers students from entire country and also foreign participants. MUN conferences are a perfect occasion to master diplomacy skills and team work abilities, learn about the functioning of the United Nations, improve public performance competences, broaden knowledge about international relations, economy, peacemaking & peacekeeping, meet extraordinary people and work on fluent command of English.

April 14, 2015: participation of ELEC Polish Section Members in the Regional Forum Poland-China in Gdańsk – a meeting of decision makers and representatives of province and city authorities from Poland and China. The Forum is a perfect opportunity to present effects of regional Polish and Chinese cooperation, exchange mutual experience, tested practices and discuss future cooperation. It is a unique chance to become familiarised with possibilities of investing in the Chinese market and enter into relations with enterprises of the Middle Kingdom.

May 8, 2015 ELEC Polish Section Members attended the commemorates of the 70th anniversary of end of World War II inaugurated by the Polish President Bronislaw Komorowski along with leaders from several other European countries. As part of the events, an international conference was organized by Gdansk-based European Solidarity Centre under the auspices of Polish president. Leaders of European states, including head of the European Council Donald Tusk, participated in the celebrations held at Westerplatte, a site where the first battle of the World War II took place.

May 29, 2015 ELEC Polish Section Members participated in the sixth International Inno3city Conference, organized by the InnoPomorze development agency. The main aim of the conference is to create good relations between people from different business and scientific branches. The Conference gave inspiration and encourage entrepreneurs to think about business in a creative and innovative way and to make all new ideas the successes of not only regional but also global size.
